Aesthetic ProSkills Courses

Eyelash Extensions

Get in on this growing market now by receiving your training on this high-demand procedure! With our Eyelash Extension training, you will learn classic lash application as well as volume lashes application! Two 7-hour days (14 hours)

You will need 1 model for both days

Course and Kit Cost: \$2250

Powder Brows

Learn how to create beautiful brows using the Powder Brow technique! Powder brows are great for any skin type and last longer than other eyebrow enhancement treatments. This kit includes everything you will need for 20 treatments and is taught over 2 days.

You will need 1 model on the second day. (14 hours)

Course and Kit Cost: \$2995

Brow Mastery

In our Brow Mastery class, you will learn how to give your clients their dream brows in only an hour! Not only will you learn how to laminate brows by filling in gaps to give them the illusion of fullness and growth, but you will also learn waxing techniques that make styling eyebrows easier. In your kit, you will receive everything you need to start taking clients! You will need 2 models (7 hours)

Course and Kit Cost: \$550

Lash Lifts

A lash lift is an all-natural, semi-permanent procedure that gives you the appearance of fuller, thicker eyelashes without the use of extensions. Lash Lifts are also known as the easiest way to keep your clients coming back! You will need 2 models during this one day class (6 hours)

Course and Kit Cost: \$550

Microneedling

Microneedling is an effective method of stimulating growth of collagen and elastin which is essential to youthful-looking skin. Our Microneedling training course teaches you to perform the microneedling procedure and also provides you with a kit containing equipment and supplies to get you started. You will need 2 models. (7 hours)

Course and Kit Cost: \$1995

Sugaring Hair Removal

Sugaring is a hair removal technique that uses an all-natural paste to pull off body hair and is a natural alternative to traditional wax. Sugaring is great for people who want to avoid all the nicks and cuts associated with shaving. With this class you will receive a kit that will do approximately 11 full body treatments. You will need 3 models (5 hours)

Course and Kit Cost: \$550

Spray Tan

Learn how to apply a beautiful bronze tan and receive your own spray tan kit that includes a spray gun, solution, pop-up tent and other supplies to get you started. With the current demand for spray tans, this is a skill that all aestheticians should have. Join us!

You will need 6 models. (5 hours)

Course and Kit Cost: \$775

Laser and Energy-Based ProSkills Course

Carbon Specialist

In this course, you will learn two carbon-based skills in just one day!

- **Carbon Facials**

Learn the fast and painless procedure to deeply exfoliate and produce collagen in your client's skin! Results are the same as a chemical peel without the downtime of peeling. (4 hours)

- **Carbon Hair Reduction**

Carbon Hair Reduction is a method that can be used to treat every hair color with laser hair reduction! Your kit includes your own carbon to start taking clients as soon as you are certified.

Eight hour course

Course and Kit Cost: \$3000
